DETAILED ACTION

1) Acknowledgement is made of Response received 11/23/2001, Paper No. 4.

The response is to Office Action of 5/25/2001, Paper No. 3.

2) Claims 36-40, are rejected under 35 U.S.C. 103(a) as being unpatentable over Casey, for reasons provided in previous office action, Paper No. 3.

3) Claims 41-42, are rejected under 35 U.S.C. 103(a) as being unpatentable over Casey in view of Bagg and Weeks, for reasons provided in previous office action, Paper No. 3.

Response to Amendment

4) Applicant's arguments filed 11/23/2001, Paper No. 4, have been fully considered but they are not persuasive.

In regard to independent claims 36-37, 40, applicant alleges that the cited reference, Casey, disclosing that 20 to 1 machine to cross direction orientation is possible for wet lay process product sheets, is a mere conjecture that is not enabled. Applicant also states that Casey cites no supporting references. Applicant cites a reference article.

The argument is not well taken. Casey indicates that 20 to 1 machine to cross direction orientation is possible; thus it would be obvious to have at least a 9 to 1, or 90% machine orientation in products. Examiner indicates that the Casey reference is

sufficient and that no other references are required for the rejections. It is not clear as to which article reference is made in citing a_z values.

Conclusion

5) **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
